

COOLENATOR • HOSPITALITY WINE COOLING

KEEP YOUR WINE COOL WITHOUT THE ICE.

Active, reusable wine cooling for hospitality - from the restaurant table to the Caribbean outdoors.

NO ICE NEEDED

NO WET TABLES

REUSABLE

MADE FOR HOSPITALITY

Choose the right Coolenator for your venue

INDOOR HOSPITALITY

CLASSIC

Elegant table service.

Compact cooling for restaurants, bars and hotel dining. Keeps the bottle visible while cooling from below.

1 × FREEZER BULLET

BEST FOR

Restaurants • Indoor table service

CARIBBEAN OUTDOOR HOSPITALITY

TALL TURBO

Extra cooling for Caribbean conditions.

Taller bottle coverage with two cooling elements for terraces, beach clubs, poolside and outdoor dining.

2 × FREEZER BULLETS

BEST FOR

Terraces • Beach clubs • Poolside • Outdoor dining

MADE FOR HOSPITALITY

LESS ICE. LESS HANDLING.

No buckets to continuously fill with ice and water during service.

SMOOTHER SERVICE.

No ice buckets to refill mid-service. Less back-and-forth for staff and less pressure on ice production.

A CLEANER TABLE.

No melting ice, dripping buckets or wet tables. A more refined presentation for your guests.

READY TO UPGRADE YOUR WINE SERVICE?

Available in Aruba exclusively through ASD Aruba.
