- **TABLE USE:** Indicates the base is suitable for use beneath a table. It is not recommended as a free-standing base option.
- **FREE-STANDING:** Indicates the base is recommended as a free-standing option, but also suitable for use beneath a table if the table provides enough clearance to safely sit above the base on a flat surface.
- ● **1.5"/2" STEM DIAMETER:** Indicates the base/stem accommodates either a 1.5" or 2" diameter center pole.

DISCLAIMER: Umbrellas must be secured equal to or greater than the base options recommended in this catalog, and must be secured properly using the thumb screws or other hardware supplied with each base. Failure to properly secure umbrellas with the base options recommended, and with the supplied hardware will void the Frankford Umbrellas warranty. Furthermore, all umbrellas should always be closed and secured when not in use, and taken down when winds reach unsafe conditions.
